Home Performance with ENERGY STAR

Customer Name: _____ Customer Phone Number (h): _____

Customer Address: _____ Customer Phone Number (w): _____

City, State, Zip: _____ Audit Date: _____

Customer Email: _____ Home Performance Analyst: _____

INSTRUCTIONS:

Homeowners may install their own qualifying improvements. Only the cost of materials and certain small tools and safety equipment associated with the improvements are eligible for the rebates.* See the list below for qualifying products:

Air & duct sealing products - caulk, caulking gun, and foam products, one pair of gloves, and one pair of safety glasses

Insulation - cellulose, fiberglass, foam board, spray foam products, goggles, respirators, and one pair of gloves

Window and doors - only the qualifying units

*Material costs can include sales tax

On each receipt, assign a "Receipt Letter" (A, B, C, etc) at the top right and a an "Item No" (1, 2, 3, etc) to the left of each line item on the receipt and reference the "Receipt Letter" and "Item No" below. Two examples are provided below.

Receipt Letter	Item No	Product Name	Qualifying Improvement/ Measure Type	Cost
A	1	EXAMPLE: Caulk	Air Sealing	$ 15.49
A	2	EXAMPLE: Aluminum Vapor Barrier Tape	Duct Sealing	$ 22.49
			TOTAL:	$ -

I attest that I am the owner of the property specified above, and I have included receipts for all materials and equipment listed above. All of the products listed above were used to install the qualifying improvements for the HPWES program.
