This is a list of the members of the HOME PERFORMANCE with ENERGY STAR Network – a program of the Environmental Protection Agency and the Department of Energy, sponsored locally by the Missouri Department of Natural Resources, with utility sponsorship from KCP&L, Missouri Gas Energy, and the Heartland Utilities for Energy Efficiency. The practitioners on this list receive regular training about building science and undergo jobsite quality assurance in partnership with the nonprofit Metropolitan Energy Center www.kcenergy.org. Any questions about the program should be directed to the Metropolitan Energy Center at (816) 285-4330.
